

S. phy

Dear commissioners.

I am Thomas Simacek, and I have lived in Ahwatukee for over 15 years.

I would like to say few words about my ideas pertaining the redistricting.

Ahwatukee village is part of Phoenix city, but geographically separated from Phoenix by South Mountain range. Our road to the downtown Phoenix goes through Tempe. It is a very compact mostly residential area, and we would like to keep in all in the same district.

It is also naturally part of greater Chandler and South Tempe areas, where we do almost all our shopping, churches, medical services, and cultural events. Many neighbors work in the Chandler, South Tempe areas. I would be great to extend our district further into the City of Chandler, as far as it can go.

On the other hand, as much as I like the City of Gilbert, I feel they do not like to be split so many ways as the proposal stands right now.

Finally, our schools are part of Tempe Kyrene district, and it would be great if we will be part of the same political district too.

Thank you very much for your attention!

Respectfully

Thomas K Simacek, PhD, PE

Specifically, why is the ^{North} peak in the Salt River included
in CD 4 but not part of legislative district?
I would hope that congressional districts are comprised,
as best as can be done, of whole legislative districts.
That should support and maintain communities
of interest.

Why is the part of Scottsdale included in their district that is Tempe, then and the reservation?

I desire keeping Tempe Elementary School District and City of Tempe together as they express a strong community of interest. Also, why

is the little peak in the Salt River section not in legislative district? It is included in the Congressional District. We also need to look at how the retired communities are being splintered.

Ahwatukee is urban not rural, GRIIC should be left rural. The line needs to go to the 60 to include all of the Tempe former H-S district and Pecos Rd (2021) the southern boundary. So Chandler Mall is included

Do not think this district should run this far north and Honda should be moved to LD 9 to be in the Mesa School District. No need to go all the way to almost Bell Rd. Just Scottsdale is fine stop at McDowell Rd or maybe Pinnacle.
