## Arizona Independent Redistricting Commission Embarks Another Round of Statewide Public Hearings

*Listening Tour Visits 20 Communities*

**Phoenix, AZ** - The Arizona Independent Redistricting Commission will begin a third round of public hearings to hear from Arizona residents about the adopted draft maps for the state's nine congressional and 30 legislative districts.

The commission will host a variety of in-person meetings and virtual town halls. The tour continues until Saturday, Dec. 4, 2021. Weekday meetings will begin at 6 p.m. and Saturday meetings at 10 a.m.

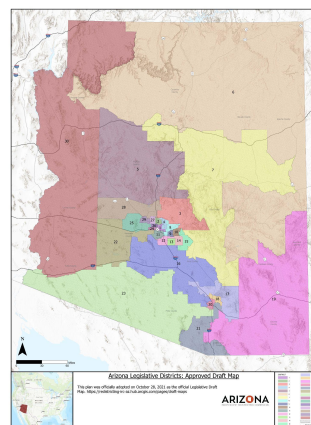

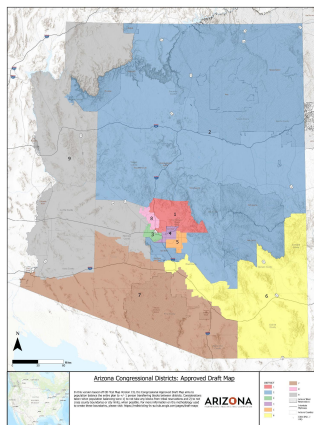

The first Virtual Town Hall begins at 10 a.m. on Saturday, Nov. 6, 2021. Please [pre-register](#) an hour before the event. Information on additional town hall pre-registration for speaking is at: [IRC Public Meeting link](#).

A schedule and meeting links can be found on the [IRC Public Meeting link](#). The first in-person public hearing will be held on Wednesday, Nov. 10 at the Yuma Council Chambers and the Flagstaff High Country Conference Center at 6 p.m.

To view the adopted draft maps, go to the Redistricting Hub's [adopted draft maps](#) then scroll down the sections for the adopted Congressional draft map and/or adopted Legislative draft map to see the maps in statewide, Maricopa and Pima counties closeups (legislative only) and individual district configurations.

The sections also contain online comment and informational links. To submit input, use the [provide feedback link](#). To find a district, enter an address in the [district lookup link](#). And for more details, the [open plan link](#) has district demographics and analysis.

Advertising the adopted draft maps is the third of four phases in the mapping process which draws new district boundaries. The fourth phase finalizes the boundaries and is expected to be completed in late-December.

---

**MISSION:** *The Independent Redistricting Commission's mission is to redraw Arizona's congressional and legislative districts to reflect the results of the most recent census. The concept of one-person, one-vote dictates that districts should be roughly equal in population. Other factors to be considered are the federal Voting Rights Act, district shape, geographical features, respect for communities of interest and potential competitiveness. The state Constitution requires the commissioners – two Republicans, two Democrats and an independent chairperson – to start from scratch rather than redraw existing districts.*

*A new Arizona Independent Redistricting Commission was appointed in January 2021 to adopt new congressional and legislative districts for Arizona.*
