08/27/2022 - 15:56	Anusha Natarajan	Redistricting Event for ASU Civic Engagement week	<p>Hello,</p> <p>I hope you are doing well. My name is Anusha Natarajan, and I am a student at Arizona State University. I am the chair of our student run coalition, and I am wanting to hold an event on redistricting and what impact it will have on students when voting. I was wondering if you had people from your office who would be available to speak at our event on 9/21 either in person at the Tempe campus or virtually ?</p> <p>Thanks, Anusha</p>
08/30/2022 - 15:37	Lynne Hudson	Possible Submission of Amicus Brief in Moore vs. Harper	<p>I urge the AZ IRC to submit an amicus brief ahead of the Supreme Court's consideration in Moore vs. Harper.</p> <p>The majority of Arizonans were very clear more than twenty years ago that they did not want redistricting in the hands of our State Legislature. That majority has not changed. What has changed, in the interim, is that one political party has attempted repeatedly to strip the power of citizen ballot initiatives and undermine/limit the will of the People of Arizona. Preserving our democracy demands that we call out and stop this game of whack a mole in all its guises.</p>
